IMPORTANT :

→ The courses of the second semester will begin on February 2nd 2026, but the week before, there will be a welcome and administrative meeting (date still to be set), which is compulsory for exchange students.

→ Also take note of the fact that a French course during the semester (2 hours per week) is part of the learning agreement for non French speaking exchange students.

→ For course choice, here is our study programme : <http://www.insa-strasbourg.fr/fr/programme-des-etudes/?menu=formation>

→ Our course offer is mainly in French, but we are constantly also developing a course offer in English (at least partially or based on course material in English). Here is the link for our existing course offer in English :

→ **It is not possible to mix courses from several studyfields or semesters.**

For example, for the second semester, you can only choose courses from either semester 6 or semester 8, in one given studyfield.
